The BOE is updating their Regulation related to motorized vehicles on school grounds, to include specific language related to e-bikes and e-scooters. As such, we have conducted student meetings today during lunches to inform **students that they may not bring these / ride these to, from, or on school property.**

April kicks off **Autism Awareness Month!** Events will be sponsored throughout April, including Paraprofessional Day, an SGA plant sale to raise funds for Autism and Awareness, and all students and staff are invited to wear blue on Friday.

Congratulations to James November, Grade 7 student, who gave an adjudicated piano performance at the Monmouth County Teen Arts Festival and was one of only two middle school students selected to move on to the NJ State Teen Arts Festival in June!

Fondly, Mrs. Gibbons
