

Last call for bricks, pavers and benches to be installed this Spring...

Celebrate your 8th grader by purchasing one!

The Rumson Education Foundation is selling bricks and pavers to be installed in the Outdoor Classroom as well as benches that will be placed around the school campus. Funds raised go towards supporting innovative grants for our school community.

To purchase, please use the attached link

What is the Outdoor Classroom? In 2022, the REF built an Outdoor Classroom in the Forrestdale courtyard. Its strategic placement among the greenhouse, aquaponics lab, mushroom farm, and apple orchard enriches the experience of our science and agricultural STEM programs. This innovative Outdoor Classroom would not have been possible without the generosity of many community members who offered their time, money, and expertise.

Don't miss out on this opportunity to make your mark on our Blue Ribbon school and be part of a lasting legacy!
